TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

7) WHAT ARE THE OTHER MOBILITY SERVICES NOT INCLUDED IN MY RENTAL?

Europcar proposes several additional services as mentioned in the recommended Tariff and Cost List (Annex 2).

8) WHAT IS INCLUDED IN THE PRICE YOU PAY?

The information you provide Europcar at the time of booking (such as the duration of the rental, your age or the age(s) of any additional driver(s)) will have an impact on the price you will pay. Any change to that information could therefore mean a change in the price. The price of your rental will be those in force at the time of booking or at the time you make any subsequent changes to the booking.

The price you will pay comprises the following costs:

- o The rental charge for the vehicle for the agreed rental period (this will include the standard mobility services above mentioned)
- o The rental period depending from the agreed tariffs calculated non divisible from the time of pickup of the vehicle
- o Any other mobility services you choose to add at additional cost
- o VAT
- o Any additional fees that are linked to you and additional drivers personally (for example, Young Driver Fees for drivers younger than 23).

By contracting with Europcar, you expressly allow Europcar to charge your means of payment for any unpaid amount related to your rental. In this regard, your express consent will be given at the Europcar station when you will provide our agent with your means of payment before picking up the vehicle.

9) WHAT ARE THE OTHER FEES/CHARGES THAT I MAY HAVE TO PAY?

o **The deposit.** In addition to the rental price (that you have prepaid during the booking or that you will pay at the pick-up time or at return), Europcar is requiring you to leave Europcar with some security for any additional charges that may arise during your use of a vehicle over the hire period. This security is in the form of a financial deposit which takes the form of a bank pre-authorization when you are paying with credit card. If you are going to pay via Girocard (Maestro, VPay Card), your bank account will be charged with the deposit amount. Besides this, you are also entitled to pay the deposit in cash for the allowed vehicle

categories. If you have booked your vehicle by remote means of communication (website, mobile application or phone) the deposit amount is recalled in the confirmation email that you will have received following your booking. In any case, the deposit amount will be reminded at the Europcar station. If you are paying by credit card, the deposit takes the form of a bank pre-authorization. Should you need any additional information regarding the deposit, please refer to the paragraph below (article 19 "Must I pay a deposit before picking up the vehicle?")

o Europcar may also charge you for various charges and fees that Europcar will have to apply relating to incidents that may have occurred during the hire period and/ or how you used the vehicle. The prices (inclusive of VAT) of these charges and fees are listed in the recommended Tariff and Cost List (Annex 2) attached to your confirmation email and available from Europcar station and/or on the Europcar website.

Such charges and fees include without limitation:

- o Administration fees for handling fines or tolls. The renter is expressly entitled to demonstrate that no loss has occurred or the loss is considerably less than the set fee. Please note that such administration fees are payable in addition to the fine or toll to which it relates and you are fully liable to pay such fines or tolls. The payment of the trailer supplement is the sole responsibility of the renter of the truck or the keeper of the trailer as appropriate.
- o Cleaning fees for a vehicle returned in an unacceptable and/or dirty state or having a bad odour. Extraordinary cleaning costs are calculated on a time and material basis and charged with. The renter is expressly entitled to demonstrate that no loss has occurred or the loss is considerably less than the set fee.
- o Charges for lost or stolen keys if you are responsible for the loss.
- o Damage management fee per claim.
- o Fee for lost and found properties.
- o Any and all fuel used during the hire period including a refueling service charge.
- o Environmental contribution amount per rental day - the amount of which is graded by the car category

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

- o The following additional specific fees and charges: (i) extra charges associated with the rental made at stations located in airports, rail stations or cruise terminals; (ii) the cost to return the vehicle to a Europcar station other than the one from which you picked it up; (iii) the extension of your rental; (iv) charges for additional mileage exceeding the contractual agreed included kilometers.
- o For the execution of the rental agreement it is necessary, that Europcar is authorized to debit all your costs provided by law or contract in connection with the car rental from your means of payment. Moreover you give approval in the Europcar station, if you give to our representative your currency before the car pick up. In particular, you entitle us to collect the contractually owed incidental processing costs relating to administrative offences and fine procedures as well as warnings and fines that Europcar has paid, through your credit card if you are responsible for the underlying traffic offences.

10) WHAT SHOULD I PAY ATTENTION TO WHEN PICKING UP THE VEHICLE?

If you notice any apparent defect or damage that is not described on the rental agreement, then you should ensure a note is made on the document and that both you and the Europcar agent sign with regard to the change. This also applies for any apparent defects or damage to the booked accessories.

11) WHAT PROCEDURES APPLY WHEN RETURNING THE VEHICLE?

You should return the vehicle to the Europcar station at the latest on the date and at the time shown on the rental agreement.

a) Return of the vehicle during the Europcar station opening hours

You may return the vehicle to another Europcar station for the cost mentioned on the recommended Tariff and Cost List (Annex 2) attached to your confirmation email if you did not make the reservation on-site. This document may also be consulted on-site at the stations and/or on Europcar website.

The hire period will end when you return the vehicle to the Europcar station and hand the vehicle keys and the registration documents to an Europcar agent or its representative.

Any return of the vehicle at a time earlier than the date and time mentioned on the rental agreement shall not give rise to any reimbursement. You are entitled to demonstrate that no damage has occurred through the earlier return of the vehicle or is considerably less than the retaining part of the

rent.

When you do return the vehicle to Europcar, you must take the opportunity to inspect the vehicle together with the Europcar agent or its representative and countersign a vehicle restitution damage report.

On your request, Europcar shall give you a signed document where Europcar declares that the vehicle was returned to Europcar.

Europcar cannot be held liable for any property and/or objects you may have forgotten in the vehicle, unless you can prove that the property and/or objects went missing in the area of responsibility of Europcar.

b) Out-of-hours return service

Europcar recommends returning the vehicle during the normal opening hours of its stations. However, to meet the specific needs of some of its clients, Europcar offers an additional out-of-hours service at certain stations. You can find the Europcar stations with 24-hour service and stations with extended opening hours on our website europcar.de.

If you opt for this out-of-hours service, Europcar is entitled to draw up a vehicle condition report without your presence and after you have dropped off the keys.

In particular, you are bound to declare any incident and/or damage that affects the conditions of the vehicle on the document that you can find in the vehicle documents folder in the glove box of the vehicle.

Depending on the available systems and the information that you will have received from Europcar, this document must be left in the vehicle or returned with the keys in the drop-off box provided for that purpose.

Please note that your rental agreement does not automatically end when you drop off the keys: the vehicle will remain in the parking space where you will have parked it until opening of the Europcar station, which will then proceed to inspect the vehicle and conclude your rental agreement. Therefore, Europcar reminds you that you must park the vehicle in the area provided for that purpose and in a manner so that the vehicle is not a danger to others or hamper traffic as stipulated by the Highway Code. The vehicle documents remain in the glove box of the vehicle. Provided that the vehicle is inspected at a later stage – during opening hours of the station – Europcar recommends you to take photographs of the vehicle in order to have evidence of the date and state of return of the vehicle once it is parked and before you

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

dropped off of the keys.

Once the inspection has been performed, Europcar will inform you should any damage have been discovered.

Europcar cannot be held liable for property and/or objects you may have forgotten in the vehicle, unless you can prove that the property and/or objects went missing in the area of responsibility of Europcar.

c) Return of the vehicle without your presence and during the Europcar station opening hours

If you are unable and/or refuse to inspect the vehicle together with the Europcar agent or its representative, Europcar is authorized to inspect the vehicle itself without your presence and to register your refusal in the vehicle report.

The same procedure as the one described above will apply (see 11b).

d) Late return of the vehicle

In the event that the vehicle is not returned on the date shown on the rental agreement, and if you have not informed Europcar immediately about the delay in its return, Europcar shall regard the vehicle as having been unlawfully appropriated and will be entitled to report this to the competent local authorities.

In such a case, Europcar will be entitled to charge you an additional day for each rental day at the rental tariff in effect, unless you can demonstrate that the vehicle is no longer at your disposal through no fault of your own or that the non-restitution of the vehicle resulted through no fault of your own. Europcar may assert a claim against you for all damage and losses suffered by Europcar and all the fines, tolls, penalties or sanctions that apply to the vehicle as a result of demands issued by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence.

Europcar will also be entitled to start legal proceedings in order to claim the immediate return of the vehicle. In such case, protections and additional contractual services would have no effect.

12) DAMAGE TO THE VEHICLE

In case of differences between the state of the vehicle as described upon pick-up and the one identified upon return, you may pay the amount as defined below if you or the driver have caused the damage culpably.

a) Damages identified upon return of the vehicle and in your presence

If damage to the vehicle is identified in your presence upon the return of the vehicle and if you confirm that you caused the damage by signing the return inspection report then the following provisions shall apply depending on the scope of the damage:

- For damage according to the price list for direct claim settlement: If the damage is listed in the price list and there are no other reasons to proceed in a different way (e.g. gross negligence, deliberate action, vehicle change over during the rental period, special charging structures) then the damage will be billed on the basis of the price list for direct claim settlement if you pay it directly on site upon return of the vehicle. This price list is available in every Europcar station and on the Europcar website. If direct damage settlement is falsely utilized on the basis of the information you provide (e.g. accident with third parties involved, gross negligence, breach of duty) Europcar reserves the right to assert damage compensation claims beyond this after the fact.

If you request proof of damage after the fact then we will charge you a flat-rate fee.

If you do not pay for the damage directly on site then it will be billed on the basis of a cost proposal or an expert report plus a flat-rate fee for the processing of the claim.

Insofar as we charge you on the basis of the above subsections with a flat-rate fee you are entitled to demonstrate that a damage in the amount of the flat-rate fee has not occurred or is considerably less.

For all other damages: Damage which is not listed in the aforementioned price list for direct claim settlement will be calculated on the basis of a cost proposal or an expert report plus a flat-rate fee for the processing of the claim. Also for this flat-rate fee you are entitled to demonstrate that damage in the amount of the flat-rate fee has not occurred or is considerably less.

If you do not sign the return inspection report the procedure described in 12 b) shall apply.

b) Damage identified in your absence upon return of the vehicle outside opening hours

If damage to the vehicle is identified by an Europcar representative in your absence after the return of the vehicle the following shall apply:

1. If you rented the vehicle from Europcar as a consumer Europcar will send you the following documents:
 - return inspection report for the vehicle with a description of the identified damages

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

- photos of the damages
- a cost proposal or an expert report of the required repair costs

If you have objections to the identified damages and billing, you can notify us of this by sending an email or a letter within 14 days of the sending of the documents.

If you do not raise any objections at all or if you only raise unreasonable objections within the 14-day period Europcar reserves the right to bill you for the required repair costs plus a flat-rate fee for the processing of the claim.

2. If you rented the vehicle as entrepreneur Europcar will bill you for the required repair costs plus a flat-rate fee for the processing of the claim. Europcar will send you the following documents with the invoice:

- a cost proposal or an expert report of the required repair costs
- photos of the damages
- the return inspection report for the vehicle with a description of the identified damages

Europcar reserves the right to exclude customers with conspicuous damage event behaviour from future rentals.

c) Common rules

Please note that depending upon the damage sustained by the vehicle and the type of protection you have subscribed to with Europcar (see the Europcar Insurance and Protections Provisions attached to your confirmation email or available from all Europcar stations and/or on Europcar's websites), you may or may not be charged for the full or for the partial amount of the cost of repair.

In any case, you will be able to challenge damage and their invoicing by acting pursuant to provisions of article 26.

13) WHAT IS EXPECTED OF ME REGARDING VEHICLE MAINTENANCE?

During your rental, you must take all necessary protective measures to keep the vehicle in the same condition as that when you took possession of it.

You should remain alert to any signal from the warning lights on the vehicle's dashboard and take any necessary protective actions according to the instruction manual. Should you have any doubts, please contact our Emergency Management Service at +49 (0)40 520 188 100.

Any modification to or mechanical interventions on the vehicle are forbidden without Europcar's prior written authorization.

Should this rule be breached, you must bear the duly justified costs of restoring the vehicle to the same state as when you took possession of it.

The renter may have repairs which are necessary in order to ensure the operating and road safety of the vehicle, and these may be carried out up to maximum €50 without further implications. Larger repairs may only be carried out with the agreement of Europcar. Europcar will bear repair costs if the relevant receipts are produced, unless the renter is liable for the damage (see 23).

You will be liable to Europcar for any detrimental consequence arising out of any infringement to the above-mentioned maintenance obligations.

14) WHAT SHOULD I DO IN CASE OF AN ACCIDENT, MECHANICAL BREAKDOWN OR THEFT OF THE VEHICLE?

In case of an accident or impairment to the vehicle's working order due to a technical defect which prevents you from continuing your travel and/or obliges you to stop the vehicle to prevent a breakdown, you are entitled to use the Emergency Management Service, which is included in the price of your rental.

The terms of the Emergency Management Service are set out in Annex 1 of the present T&C. In the mentioned cases, you should contact our Emergency Management Service on +49 (0)40 520 188 100.

You shall inform the police and Europcar immediately after any accident, fire, theft or damage caused by an animal or other incident. Claims by opposing parties may not be acknowledged. The renter shall, even if the damage is slight, produce a written report with a sketch without delay. The accident report must include the name and address of the persons involved, any witnesses and the registration numbers of the vehicles involved.

In case of theft of the vehicle, you shall provide Europcar with a copy of the report of theft filed with the local police authorities immediately along with the keys and official papers of the vehicle if those have not been stolen.

15) WHEN WILL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of your rental have been settled and no earlier than the day after the vehicle return date.

You will pay or be charged the full amount in one or in several parts, or Europcar will make a direct debit via the agreed

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

method of payment depending on the product and payment method.

You may decide to prepay (prepayment of your booking made online, via our call centre or at the Europcar station) your rental which will include the daily rental charge of the vehicle and accessories for the hire period and for any additional mobility services. Your means of payment will be debited by the agreed amount. You will receive a booking reservation confirmation including the prepayment. With the hire the same credit card must be presented by the renter as a currency like on the prepayment of your booking. In addition, the prepaid amount will be mentioned on the final invoice and deducted from the resulting total amount (still) to be paid.

If you decide not to prepay your rental at booking time, the amount of the deposit plus the rental charges for the vehicle and any accessories, any additional services or drivers or protections you decide to take out before you take the vehicle away will be shown on the rental agreement that you will have to agree to and sign before picking up the vehicle. The final and total cost of your rental will be charged and invoiced at the time of return of the vehicle at the end of the rental period. Any additional fees or charges will be charged when you return the vehicle (if they can be calculated at that time).

If you have incurred extra costs, such as fines, or caused damage to the vehicle identified without your presence, Europcar will charge you these costs and the applicable administration fees (damage management fees, fines administrative fees) at a later date when Europcar becomes aware of them.

In this respect, you will have a fourteen (14) day period starting from the date the billing notification is sent (by email or regular post) to challenge and justify not being the person responsible of the fees. In case of no objection or justification from you within the aforementioned period, the amount of these fees will be charged.

The renter agrees to receive the invoice in digital format at the listed e-mail address if he has provided his e-mail address to Europcar and not to receive the invoice in paper format any longer. It is the responsibility of the renter to ensure that the e-mail address provided from the renter is valid and the receipt of e-mails is possible at the listed e-mail address.

The renter has the right to object the receipt of invoices in electronic format at any time. Europcar will then provide the renter with an invoice in paper format. The renter is liable for additional costs incurred thereby for the sending of the invoice in paper format and the mailing costs.

If payment is by direct debit, a pre-notification of one day is agreed which is fulfilled with the sending of the debit notification.

In addition, if the due date of the payment shown on the

invoice has expired and if you do not pay after having received a written warning, you have to pay a default interest of 5% above the relevant base rate if you are a consumer. The default interest is 9% above the relevant base rate if you are a business customer. The renter can demonstrate that the actual loss due to default is less.

If the default of a renter makes the appointment of a debt collection agency necessary, then the renter has to bear the resulting costs if he was not evidently unable or unwilling to pay and has also not raised any other objections to the grounds for the claim.

If the invoice amount is not paid in due time, you have to pay the default interest in addition to the non-paid invoice amount.

16) WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

a) Modifications

You can modify your prepaid booking free of charge, provided you let Europcar know **at least 48 hours before** the rental is due to start.

Please be aware that new rental prices may apply if you modify your booking.

Modifications of your booking can be done via Europcar website europcar.de using the login function (Anmelden). Alternatively, you can also call our call centre on +49 (0)40 520 188 000.

b) Cancellation and No Show

- If you have prepaid your booking:
- You can cancel your booking free of charge provided that you have given Europcar at least 48 hours' notice before the rental is due to start.
- If you cancel giving Europcar less than 48 hours' notice, the prepaid amount will be refunded less a late-cancellation fee (please refer to the recommended Tariff and Cost list attached to your confirmation email and available from Europcar stations and / or on the Europcar website). You are entitled to demonstrate that the damage has not occurred or is considerably less than the cancellation fee.
- If you have not cancelled and fail to come to the Europcar station to pick up the vehicle, the prepaid amount will be refunded less a no-show fee (please refer to the recommended tariff list attached to your confirmation email and available from Europcar stations and / or on the Europcar website). You are entitled to demonstrate that the damage has not occurred or is considerably less than the No Show fee.

For the purpose of this section, cancellation of the booking

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

or failure to pick up the vehicle due to force majeure means that you are prevented or delayed by reason of war or other hostilities; civil unrest; an accident; lock-out; trade dispute; acts, embargoes or restraints of government; restriction to imports or exports; or any other cause or circumstance beyond your reasonable (direct or indirect) control. A cancellation fee will not be charged in these cases.

If you have not prepaid your booking

- You may modify or cancel your booking free of charge up to the time of pickup.
- If you cancel giving Europcar less than 48 hours' notice, Europcar will charge you a late-cancellation fee (please refer to the recommended tariff and cost list attached to your confirmation email and available from Europcar stations and / or on the Europcar website). You are entitled to demonstrate that the damage has not occurred or is considerably less than the cancellation fee.
- If you do not cancel your booking and fail to collect the vehicle at the time of pickup, a no-show fee will be charged (please refer to the recommended tariff and cost list attached to your confirmation email and available from Europcar stations and / or on the Europcar website). You are entitled to demonstrate that the damage has not occurred or is considerably less than the No Show fee.

17) WHAT IF I WANT TO EXTEND MY RENTAL AGREEMENT?

In case you want to extend the hire period shown on your rental agreement, you should take the following steps:
For any extension of less than 24 hours, call Europcar Customer Service on +49 (0)40 520 188 000.

For any extension greater than 24 hours, you shall:

- Carry out a check of the vehicle together with a Europcar agent.
- Pay the rental as well as any additional charges.
- Sign a new rental agreement or an addendum to the initial rental agreement.
- Present a means of payment for the extension of the rental period.

If you don't comply with the above-mentioned conditions, the terms of the section 'What procedures apply when returning the vehicle?' above will apply.

18) WHAT IS THE FUEL POLICY?

Please review carefully the regulations that apply for fueling because they apply to each of your rentals.

All vehicles will be handed over to you with a full tank. Three options can then be offered to you:

FULL TANK OPTION/LAST TANK OPTION

- At pick-up you can pay for the price of a full tank of fuel in advance. The price for the full tank of fuel depends on the vehicle category that you are driving.
- When renting the vehicle you pay in advance for the tank to be refuelled at the usual market price and thereby save a lot of time because you do not have to refuel the vehicle before returning it.
- You return the vehicle with whatever fuel is left in the tank.
- Europcar will not charge you anything for the refuelling of the vehicle after it is returned. You will not be reimbursed for the fuel that has not been used.

FULL/FULL REFUELLING ARRANGEMENT

- We provide you with a vehicle with a full tank
- You return the vehicle with a full tank
- You do not pay for the refueling nor for the fuel under the following conditions:
 - a) **You have travelled less than 100 km during your rental period and can provide proof of refueling:** The distance driven is determined on the basis of the difference between the kilometers readings at the time the rental of the vehicle and its return. Depending on the manufacturer, the fuel gauge rarely changes after driving 100 km. You are therefore required to provide a valid receipt from the fuelling station proving that the vehicle was refueled with the quantity of fuel that the vehicle consumes on average per 100 km in proportion to the distance travelled during your rental period. In addition to the fuel price, you will pay a flat-rate refueling fee per refueled liter of fuel. The current valid price per liter including the flat rate refueling fee is available in Europcar stations. The renter is entitled to demonstrate that no costs or considerably lower costs for refueling occur. Please ask the employee at the Europcar Station for additional information about the average consumption of the vehicle model that you have rented.
 - b) **You have travelled more than 100 km during your rental period and the fuel gauge shows a full tank:** The distance driven is determined on the basis of the difference between the kilometers readings at the time the rental of the vehicle and its return. The tank is considered full if the fuel gauge shows the maximum fuel level (8/8). The tank is not considered full if the tank gauge shows a fuel level that is less than the maximum fuel level. The 1/8th method is applied as the basis for calculation. For this, the tank capacity of the driven vehicle is divided into 1/8ths and the resulting missing quantity of fuel is

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

converted into liter and stated on the invoice. If the tank gauge lies between two 1/8th values then you will be

charged for the missing 1/8ths by means of rounding to the next 1/8th.

Example: If the vehicle is returned with a fuel level of 5.8 then you will be charged for 2/8ths of the tank.

The employee at the Europcar Station can inform you about the fuel price per liter including the fueling fee when the vehicle is returned.

19) MUST I PAY A DEPOSIT BEFORE PICKING UP THE VEHICLE?

When you pick up the vehicle, you have to pay a deposit. If you pay with a credit card, an authorization is made for the deposit. If you pay the deposit via Girocard (Maestro, VPay Card) the amount for the deposit will be debited from your bank account. You can also pay the deposit in cash for certain vehicle categories approved by Europcar. If you have prepaid your booking, the same credit card is to be presented with the hire for the amount for the deposit, like you used for the prepayment of your booking.

The deposit is intended to cover additional rental costs. You will find further information on the Europcar website under "deposit guideline".

If you have paid for your hire in advance, the amount of the deposit is 300 EUR (or the equivalent in local currency). If you have not already paid for your rental when you made the reservation, the rental cost will also be blocked to your credit card. In this case the amount blocked to your credit card will be the rental cost plus 300 EUR (or the equivalent in local currency).

In some stations the displayed rental price does not include basic protection that limits your liability in case of damage of the Vehicle caused by collision (CDW), theft or attempted theft (TW) caused culpably by you. However, you can add this protection at the time of your booking. If you choose not to add any protection to your rental the deposit amount will be increased from 300 EUR to 800 EUR (or equivalent on your destination country currency).

In any case, the final amount is stated on the confirmation email which is sent to you when you make your reservation and in the hire agreement. Please note that for prepaid booking, if you subsequently make additional purchases at the desk, the amount of these additional sales shall be added to the sum of the deposit. The deposit shall be released at the end of your hire agreement if no other costs are payable. If the deposit is paid on cash or by Girocard, you shall be reimbursed within 8 working days.

20) CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

If you are a foreigner holding a Visa or MasterCard

credit card (with a base currency other than euro), you can benefit from the currency conversion facility into the card's base currency when paying for your rental. The Europcar agent offering this facility to you will enter your reply into the system and the rental agreement will specify the option chosen. In that case, Europcar will take care of the currency conversion, using an exchange rate based on the Reuters index, including an exchange fee of 3.25%.

If you wish to change your mind, you can do so by making the appropriate declaration when returning the vehicle to the Europcar counter and will be forwarded your final invoice in Euros.

If Europcar for technical reasons is not in the situation to make available this service, or if a currency conversion in the base currency according to your Credit card terms is excluded, the Conversion is done on basis of the conditions of your bank.

21) WHAT IS EUROPCAR DOING TO PROTECT MY PERSONAL DATA?

Europcar may use any information you have given Europcar, including the details of any named driver, for the purposes of your rental to verify identity, collect payment, monitor fraud and deal with any issues before, during and after the hire period.

Our data protection policy is available here: [Europcar Privacy Policy](#).

Europcar collects and processes data in order to provide you with vehicle rental services and for its own marketing purposes such as special promotions and loyalty programs. You will be informed of any information that must be collected by Europcar whether at a station or via an asterisk online. The recipients of such data are Europcar station agencies and all Europcar Group franchisees.

Some of the recipients of the collected data may be located in countries where legislation concerning personal data does not provide a sufficient level of protection equivalent to the standards of German law. However, this transfer of data to a country with an insufficient level of protection is made only if you rent a vehicle in a country operated by a Europcar Group franchisees located outside of the European Union. As it is required for the performance of your rental agreement, this transfer is authorized in accordance with the General Data Protection Regulation (Datenschutz-Grundverordnung).

Based on this, you have a right to access, correct and delete any data concerning you. You may assert this right by sending Europcar a letter to the following address: Europcar Autovermietung GmbH, att. Data Protection Officer, Anckelmannsplatz 1, 20537 Hamburg.

an additional sum, then Europcar exempts the renter with

You are made aware of the existence of data processing aimed at preventing risk.

You are made aware that your personal data may be provided to the police authorities at their request in case of any traffic or road offence and/or any crime committed during your rental.

22) ARE VEHICLES EQUIPPED WITH TRACKING DEVICES AND DATA IN NAVIGATION AND MOBILE PHONE SYSTEMS?

All vehicles of Europcar are equipped with technology that makes it possible to determine the vehicle's position.

You agree that Europcar will collect, store and use GPS-coordinates and speed measurements if you will not return the vehicle within the agreed time period, use the car outside the agreed contract territory, border areas and harbor areas. The purpose of collection, storage and use of your personal data are exclusively protection of our vehicles and the contractual rights of Europcar. Please note that we can be obliged to hand over personal data on the basis of official orders.

Most of the vehicles of the Europcar fleet are as far as possible equipped with information- and communication systems as for example with navigation devices and mobile telephone systems. The purpose of the information- and communication systems is not to collect personal data of the renter and driver. You as renter respectively driver are obliged before you return the vehicle at the end of the rental to reset all data in the information- and communication systems to the works setting and to delete all collected personal data out of the navigation devices and mobile telephone systems. You can find in every vehicle in the Europcar fleet an operating instruction which includes an instruction for the resetting of the information- and communication systems to the works setting.

23) WHAT IS MY LIABILITY IN CASE OF DAMAGE?

- a) The renter is liable for repair costs for accident damage, loss, theft or improper operation of the vehicle or impairment of contractual obligations according to clauses 2, 3, 5 and 14 of these conditions in case of a write-off for the replacement value of the vehicle less the residual value unless the renter is not responsible for the occurrence of the damage.
- b) The renter is also liable for any consequential damage, particularly reduced value, towing costs and fees for technical experts and a fee for administration costs. The renter is not liable if neither the renter nor the driver is responsible for the damage.

If an exemption of liability is agreed against payment of

regard to damage to the rental vehicle in accordance with the principles of vehicle damage (collision) insurance based on the relevant valid sample conditions of the AKB (general conditions for vehicle insurance in Germany) with subsequent deductible excess plus a flat-rate fee per incidence of damage.

The renter is entitled to demonstrate that the damage has not occurred or is considerably less than the flat-rate fee.

The liability exemption covers accident damage; that is, through a sudden external incident involving mechanical force; brake damage, operational damage and pure breakage do not count as accidental damage. The exemption of liability does not therefore cover damage which occurs due to improper treatment and/or operation, for example through incorrect gear changes, use of the wrong fuel or loaded goods. The deductible excess for each instance of damage depend on the vehicle category.

Vehicle category	Deductible excess
High-end to upper-mid range	€ 950
Upper-mid range and particularly valuable vehicles (e.g. Audi A4), luxury class vehicles (e.g. Audi A6) and minibuses (e.g. VW Sharan)	€ 1.150
Selection	Depending on vehicle category up to € 4.000
Vans, up to group 3	€ 750
Vans, group 4 and 5	€ 1.000
Vans, groups 6 and 7	€ 1.500

A list of the deductible excess applicable for the relevant vehicle is available at the place of conclusion of the contract. These deductible excesses only apply when no different individual agreement has been made.

The deductible excess for drivers younger than 23 years will always be at least 1.200 Euro regardless from the booked protection package.

- c) The exemption of liability does not release the renter from the contractual obligations under clauses 2, 3, 5 and 14 of these conditions. The renter is fully liable in case of intentional infringement of the contractual obligations, particularly for damage, which occurs due to an unauthorized driver (clause 2) or due to a forbidden use (clause 5). If the renter has intentionally fled the scene of an accident or infringed obligations under clause 14, the renter is also fully liable, unless the infringement has no

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

effect on the assessment of the damage incident. In case of grossly negligent infringement of a contractual

obligation, the renter is liable in the proportion of the extent of the fault of the renter. The renter is also fully liable for intentionally caused damage. If damage is caused through gross negligence, liability is in proportion to the fault of the renter.

d) If cover for fire and theft is concluded, the renter is liable particularly for damage to glass, damage caused by game animals, fire, the elements and marten damages with the deductible excess mentioned in clause 23 per claim plus a set fee, if no different individual agreement has been made. The renter is expressly entitled, with regard to the set fee, to demonstrate that there has been no cost or the cost is considerably less than the set fee.

e) In other cases, the statutory regulations apply.

24) LIMITATION

If an accident has been recorded by the police, compensation claims by Europcar against the renter will only be due after Europcar has had the opportunity to inspect the investigation file. The period of limitation begins at the latest six months after return of the vehicle. In case files are to be inspected, Europcar will notify the renter without delay of the date of inspecting the file.

25) LIABILITY OF EUROPCAR

Any liability of Europcar due to the infringement of their contractually regulated duties is restricted to cases of intentional or gross negligence, including the intentional or gross negligence of representatives and employees. Europcar is liable in accordance with the statutory provisions for infringement of essential contractual duties (Kardinalspflichten). In this case liability is limited to the extent of compensation for typical contractual losses. Liability for culpable violation of life, body or health remains unaffected; the same applies for compulsory liability under the terms of the product liability law.

26) WHAT HAPPENS IN CASE OF A DISPUTE WITH REGARD TO MY RENTAL?

a) Applicable law

In case of a dispute between you and Europcar regarding your rental, German law is applicable.

b) Customer Relations Service

Please contact the Customer Relations Service of the Europcar country where you made your reservation. This country may be different from the one which is renting the vehicle to you or from the country of your place of residence.

c) Notifications

All notifications directed to you from Europcar pursuant to your rental agreement shall be sent to the addresses indicated in the latter, and which you and Europcar shall recognize as the elected domicile for all purposes. Any modifications must be communicated to the other party.

d) Mediation

e) Jurisdiction for rentals made on a professional basis

In case both parties are businesspeople in the sense of the German Commercial Code or if the party against which a claim has been made has no place of general jurisdiction in Germany, Hamburg - Mitte is the applicable place of jurisdiction.

f) Contractual documents

The binding documents between you and Europcar are, by order of priority, the following:

- The rental agreement and its specific conditions (the document signed by you at the moment of the pick-up or the first day of rental)
- The confirmation email (where you have pre-booked your rental)
- The Europcar Insurance and Protection Provisions
- The recommended Tariff and Cost List

TERMS AND CONDITIONS OF HIRE OF EUROPCAR AUTOVERMIETUNG GMBH

- The present T&C which apply to all aforementioned documents

27) IS THERE A CODE OF CONDUCT APPLICABLE TO THE CAR RENTAL INDUSTRY?

Europcar views itself as being obliged to the code of conduct for the car rental industry. You may obtain more details on the website leaseurope.org. You can find the German version under: www.bav.de.

28) WHO OWNS THE VEHICLES RENTED BY EUROPCAR AUTOVERMIETUNG GMBH?

The companies Securitifleet SAS, SecuritiFleet GmbH, Securitifleet SL and Securitifleet S.p.A own a substantial part of the fleet rented out by Europcar Autovermietung GmbH to its customers in accordance with these T&C and have granted a pledge over their vehicles in favor of, among others, Crédit Agricole Corporate and Investment Bank and its successors and assignees. For the purposes of these pledges, Europcar France SAS has been designated as a third-party holder in accordance with Article 2337 of the French Civil Code. As a result, if the company Securitifleet SAS, SecuritiFleet GmbH, Securitifleet SL or Securitifleet

S.p.A is designated as owner of the leased vehicle on the registration certificate, a copy of which was given to you, any return of the vehicle by a customer of Europcar France SAS must be strictly made to Europcar France SAS in its capacity as third-party holder or, if the need arises, to any other entity that may replace Europcar France SAS in that capacity and under no circumstances to Securitifleet SAS, Securitifleet GmbH, Securitifleet SL or Securitifleet S.p.A.
