b) Out-of-hours return service

EMOBG recommends returning the vehicle during the normal opening hours of its stations. However, to meet the specific needs of some of its clients, EMOBG offers an additional out-of-hours service at certain stations. You can find our stations with 24-hour service and stations with extended opening hours on our website europcar.de.

If you opt for this out-of-hours service, EMOBG is entitled to draw up a vehicle condition report without your presence and after you have dropped off the keys.

In particular, you are bound to declare any incident and/ or damage that affects the conditions of the vehicle on the document that you can find in the vehicle documents folder in the glove box of the vehicle.

Depending on the available systems and the information that you will have received from EMOBG, this document must be left in the vehicle or returned with the keys in the drop-off box provided for that purpose.

Please note that your rental agreement does not automatically end when you drop off the keys: the vehicle will remain in the parking space where you will have parked it until opening of our station, which will then proceed to inspect the vehicle and conclude your rental

agreement. Therefore,

EMOBG reminds you that you must park the vehicle in the area provided for that purpose and in a manner so that the vehicle is not a danger to others or hamper traffic as stipulated by the Highway Code. The vehicle documents remain in the glove box of the vehicle. Provided that the vehicle is inspected at a later stage – during opening hours of the station – EMOBG recommends you to take photographs of the vehicle in order to have evidence of the date and state of return of the vehicle once it is parked and before you dropped off of the keys.

Once the inspection has been performed, EMOBG will inform you should any damage have been discovered.

EMOBG cannot be held liable for property and/ or objects you may have forgotten in the vehicle, unless you can prove that the property and/ or objects went missing in the area of responsibility of EMOBG.

c) Return of the vehicle without your presence and during our station opening hours

If you are unable and/ or refuse to inspect the vehicle together with the EMOBG agent or its representative, EMOBG is authorized to inspect the vehicle itself without your presence and to register your refusal in the vehicle report.

The same procedure as the one described above will apply (see 11b).

d) Late return of the vehicle

In the event that the vehicle is not returned on the date shown on the rental agreement, and if you have not informed EMOBG immediately about the delay in its return, EMOBG shall regard the vehicle as having been unlawfully appropriated and will be entitled to report this to the competent local authorities.

In such a case, EMOBG will be entitled to charge you an additional day for each rental day at the rental tariff in effect, unless you can demonstrate that the vehicle is no longer at your disposal through no fault of your own or that the non- restitution of the vehicle resulted through no fault of your own. EMOBG may assert a claim against you for all damage and losses suffered by EMOBG and all the fines, tolls, penalties or sanctions that apply to the vehicle as a result of demands issued by public administrations for the purpose of identifying the perpetrator or clarifying other circumstances relating to a breach or criminal offence.

EMOBG will also be entitled to start legal proceedings in order to claim the immediate return of the vehicle. In such case, protections and additional contractual services would have no effect.

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

This price list is available in every of our stations and on the Europcar website. If direct damage settlement is falsely utilized on the basis of the information you provide (e.g. accident with third parties involved, gross negligence, breach of duty) EMOBG reserves the right to assert damage compensation claims beyond this after the fact.

If you request proof of damage after the fact then we will charge you a flat-rate fee.

If you do not pay for the damage directly on site then it will be billed on the basis of a cost proposal or an expert report plus a flat-rate fee for the processing of the claim.

- a cost proposal or an expert report of the required repair costs
- photos of the damages
- the return inspection report for the vehicle with a description of the identified damages

EMOBG reserves the right to exclude customers with conspicuous damage event behavior from future rentals.

c) Common rules

Please note that depending upon the damage sustained by the vehicle and the type of protection you have subscribed to with EMOBG (see the EMOBG Insurance and Protections Provisions attached to your confirmation email or available from all our stations and/ or on Europcar's websites), you may or may not be charged for the full or for the partial amount of the cost of repair.

In any case, you will be able to challenge damage and their invoicing by acting pursuant to provisions of article 26.

13) WHAT IS EXPECTED OF ME REGARDING VEHICLE MAINTENANCE?

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

Any modification to or mechanical interventions on the vehicle are forbidden without EMOBG's prior written authorization.

Should this rule be breached, you must bear the duly justified costs of restoring the vehicle to the same state as when you took possession of it.

The renter may have repairs which are necessary in order to ensure the operating and road safety of the vehicle, and these may be carried out up to a maximum of €50 without further implications. Larger repairs may only be carried out with the agreement of EMOBG. EMOBG will bear repair costs

if the relevant receipts are produced, unless the renter is liable for the damage (see 23).

You will be liable to EMOBG for any detrimental consequence arising out of any infringement to the above-mentioned maintenance obligations.

If you rent an Electric Vehicle, you must also use only the cables supplied by EMOBG for recharging. Any recharging carried out with any other cable may engage your responsibility in the event of damage arising as a result.

If you rent a cable from EMOBG that also allows recharging from a domestic socket (additional service), you must ensure that your electrical installation complies with the standards in force and the requirements defined by the car manufacturer before proceeding with any recharging. Failing this, and in the event of damage, you will be held liable.

14) WHAT SHOULD I DO IN CASE OF AN ACCIDENT, MECHANICAL BREAKDOWN OR THEFT OF THE VEHICLE?

In case of an accident or impairment to the vehicle's working order due to a technical defect which prevents you from continuing your travel and/or obliges you to stop the vehicle to prevent a breakdown, you are entitled to use the Emergency Management Service, which is included in the price of your rental.

The terms of the Emergency Management Service are set out in Annex 1 of the present T&C. In the mentioned cases, you should contact our Emergency Management Service on +49 (0)40 520 188 100.

You shall inform the police and EMOBG immediately after any accident, fire, theft or damage caused by an animal or other incident. Claims by opposing parties may not be acknowledged. The renter shall, even if the damage is slight, produce a written report with a sketch without delay. The accident report must include the name and address of the persons involved, any witnesses and the registration numbers of the vehicles involved.

In case of theft of the vehicle, you shall provide EMOBG with a copy of the report of theft filed with the local police authorities immediately along with the keys and official papers of the vehicle if those have not been stolen.

15) WHEN WILL I RECEIVE MY INVOICE AND PAY FOR THE RENTAL?

You will receive a final invoice once all elements of your rental have been settled and no earlier than the day after the vehicle return date.

You will pay or be charged the full amount in one or in several parts, or EMOBG will make a direct debit via

the agreed method of payment depending on the product and payment method.

You may decide to prepay (prepayment of your booking made online, via our call center or at our station) your rental which will include the daily rental charge of the vehicle and accessories for the hire period and for any additional mobility services. Your means of payment will be debited by the agreed amount. You will receive a booking reservation confirmation including the prepayment. With the hire the same credit card must be presented by the renter as a currency like on the prepayment of your booking. In addition, the prepaid amount will be mentioned on the final invoice and deducted from the resulting total amount (still) to be paid.

If you decide not to prepay your rental at booking time, the amount of the deposit plus the rental charges for the vehicle and any accessories, any additional services or drivers or protections you decide to take out before you take the vehicle away will be shown on the rental agreement that you will have to agree to and sign before picking up the vehicle. The final and total cost of your rental will be charged and invoiced at the time of return of the vehicle at the end of the rental period. Any additional fees or charges will be charged when you return the vehicle (if they can be calculated at that time).

If you have incurred extra costs, such as fines, or caused damage to the vehicle identified without your presence, EMOBG will charge you these costs and the applicable administration fees (damage management fees, fines administrative fees) at a later date when EMOBG becomes aware of them.

In this respect, you will have a fourteen (14) day period starting from the date the billing notification is sent (by email or regular post) to challenge and justify not being the person responsible for the fees. In case of no objection or justification from you within the aforementioned period, the amount of these fees will be charged.

The renter agrees to receive the invoice in digital format at the listed e-mail address if he has provided his e-mail

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

address to EMOBG and not to receive the invoice in paper format any longer. It is the responsibility of the renter to ensure that the e-mail address provided from the renter is valid and the receipt of e-mails is possible at the listed e-mail address.

The renter has the right to object the receipt of invoices in electronic format at any time. EMOBG will then provide the renter with an invoice in paper format. The renter is liable for additional costs incurred thereby for the sending of the invoice in paper format and the mailing costs.

If payment is by direct debit, a pre-notification of one day is agreed which is fulfilled with the sending of the debit notification.

In addition, if the due date of the payment shown on the

invoice has expired and if you do not pay after having

received a written warning, you have to pay a default interest of 5% above the relevant base rate if you are a consumer. The default interest is 9% above the relevant base rate if you are a business customer. The renter can demonstrate that the actual loss due to default is less.

If the default of a renter makes the appointment of a debt collection agency necessary, then the renter has to bear the resulting costs if he was not evidently unable or unwilling to pay and has also not raised any other objections to the grounds for the claim.

If the invoice amount is not paid in due time, you have to pay the default interest in addition to the non-paid invoice amount.

16) WHAT IF I WANT TO CANCEL OR MODIFY MY BOOKING?

a) Modifications

You can modify your prepaid booking free of charge, provided You let EMOBG know **at least 48 hours before** the rental is due to start.

Please be aware that new rental prices may apply and a new mileage rate may apply if you modify Your booking and you should always use the same communication channel that You used when booking the vehicle in the first place to modify Your booking.

Modifications of your booking can be done via EMOBG website europcar.de using the login function (Anmelden). Alternatively, you can also call our call center at +49 (0)40 520 188 000.

b) Cancellation and No Show

- **Cancellation** - You can cancel Your booking free of charge provided that You have given EMOBG **at least 48 hours' notice before the rental is due to start.**

- **Late cancellation** - If You cancel giving EMOBG less than 48 hours' notice a **penalty of up to € 50 might be applied. The amount of this fee shall not exceed the price of Your rental if it is lower.** In case of prepaid booking, the prepaid amount will be refunded less a late-cancellation fee. In the event of a non-prepaid-reservation, the penalty will be deducted from the mean of payment You have provided. In case of a non-prepaid reservation and in the absence of any payment details provided, You remain liable for the late cancellation fee. You are entitled to demonstrate that the damage has not occurred or is considerably less than the No Show fee.

- **No show** - If you have not cancelled and fail to come to our station to pick up the vehicle at the time scheduled, **a No show fee of up to € 95 might be applied. If the price of your rental is lower than the No show fee, the No show fees 'amount will be equal to the price of Your rental.** In case of prepaid booking, the prepaid amount will be refunded less a no-show fee. In the event of a non-prepaid reservation, the penalty will be deducted from the mean of payment You have provided. In case of a non-prepaid reservation and in the absence of any payment details provided, You remain liable for the "No show" fee. You are entitled to demonstrate that the damage has not occurred or is considerably less than the No Show fee.

c) Delay

If You have prepaid Your Booking online and/ or provided Your payment card details, Your departure station agency undertakes to provide You with the chosen category of Vehicle until its closing time.

In the specific case of a Train Station or Airport, if the train or flight number is not provided in the reservation, in the event of a delay, Your departure station agency undertakes to provide You with the category of Vehicle chosen until one hour after its closing time.

If you have not prepaid Your booking online and/ or not provided Your payment card details and Your identification data (address, driver's license number, train or flight number), Your departure station agency cannot guarantee that a Vehicle will be available beyond two (2) hours from the booking time scheduled during business hours.

d) Force Majeure

Under this section, You will not be held responsible in the event of cancellation of the reservation or failure to pick up the Vehicle due to the occurrence of an event of Force Majeure.

Legally, there is Force Majeure when an event beyond

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

Your control, which could not be reasonably foreseen at the time of the conclusion of the contract and whose effects cannot be avoided by appropriate measures, prevents You from executing the rental contract. If You invoke it, it will be up to You to establish that the event actually constitutes a case of Force Majeure.

Please note that strikes, delays or cancellations of Your means of transport (train, plane, etc.) are not considered events of *Force Majeure* and do not exempt You from additional costs for late cancellation or no show.

17) WHAT IF I WANT TO EXTEND MY RENTAL AGREEMENT?

In case you want to extend the hire period shown on your rental agreement, you should take the following steps:

For any extension of less than 24 hours, call EMOBG Customer Service on +49 (0)40 520 188 000.

For any extension greater than 24 hours, you shall:

- Carry out a check of the vehicle together with a EMOBG agent.
- Pay the rental as well as any additional charges.
- Sign a new rental agreement or an addendum to the initial rental agreement.
- Present a means of payment for the extension of the rental period.

If you don't comply with the above-mentioned conditions, the terms of the section 'What procedures apply when returning the vehicle?' above will apply.

18) WHAT IS THE FUEL/ ELECTRICITY POLICY?

The rules applicable to fueling and refueling (or electricity charging) of a Vehicle depend on the country of rental and the type of rental product you have selected. Please check carefully the rules applicable for every rental you make. Please ask EMOBG's agent for details of all available options when you collect the Vehicle.

1. Thermal and/ or hybrid vehicle (as far as the fuel part is concerned)

All Vehicles are supplied with a full tank of fuel at pick up. Two options may then be made available to You:

FULL TANK OPTION REFUNDABLE

- At pick up you pay for the price of a full tank of fuel. The price of this will depend on the Vehicle category.
- If you return the Vehicle with a full tank of fuel (proof of filling may be required), EMOBG will reimburse you the price of the full tank of fuel paid at the time of pick-up.
- If You return the Vehicle with a fuel tank that is not full to its maximum capacity, EMOBG will not reimburse You for the unused fuel.

- **FULL TO FULL**

- We provide you with a vehicle with a full tank of fuel
- You return the vehicle with a full tank of fuel
- You pay nothing for either refueling service charge nor fuel

At return, to consider the tank as full, different rules are applied depending on the kilometers driven during the rental.

a) **You have travelled less than 100 km during your rental period and can provide proof of refueling:**

The distance driven is determined on the basis of the difference between the kilometers readings at the time the rental of the vehicle and its return. Depending on the manufacturer, the fuel gauge rarely changes after driving

100 km. You are therefore required to provide a valid receipt from the fuelling station proving that the vehicle was refueled with the quantity of fuel that the vehicle consumes on average per 100 km in proportion to the distance travelled during your rental period. In addition to the fuel price, you will pay a flat-rate refueling fee per refueled liter of fuel. The current valid price per liter including the flat rate refueling fee is available in our stations. The renter is entitled to demonstrate that no costs or considerably lower costs for refueling occur.

Please ask the employee at our Station for additional information about the average consumption of the vehicle model that you have rented.

b) **You have travelled more than 100 km during your rental period and the fuel gauge shows a full tank:**

The distance driven is determined on the basis of the difference between the kilometers readings at the time the rental of the vehicle and its return. The tank is considered full if the fuel gauge shows the maximum fuel level (8/8). The tank is not considered full if the tank gauge shows a fuel level that is less than the maximum fuel level. The 1/8th method is applied as the basis for calculation. For this, the tank capacity of the driven vehicle is divided into 1/8ths and the resulting missing quantity of fuel is converted into liter and stated on the invoice. If the tank gauge lies between two 1/8th values then you will be charged for the missing 1/8ths by means of rounding to the next 1/8th.

Example: If the vehicle is returned with a fuel level of 5.8 then you will be charged for 2/8ths of the tank.

The employee at our Station can inform you about the fuel price per liter including the fueling fee when the vehicle is returned.

2. Electric and/ or plug-in hybrid vehicle (for the electricity part)

In the case of rental of an electric vehicle, the Vehicle will

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

be returned to you with a minimum charge level of 95% on departure from the rental agency, and no minimum charge level will be required on return of your Vehicle.

If you are renting a Plug-In Hybrid (gasoline/ electric) Vehicle, the Vehicle will be returned to you upon departure from the rental agency with a full tank of fuel and a minimum charge level of 80%.

When you return the Vehicle, as regards the fuel, the provisions set out in 1/ above will be applied depending on the option you have chosen.

With regard to electricity, no minimum charge level will be required when you return your Vehicle.

19) MUST I PAY A DEPOSIT BEFORE PICKING UP THE VEHICLE?

When you pick up the vehicle, you have to pay a deposit. If you pay with a credit card, an authorization is made for the deposit. If you pay the deposit via Girocard (Maestro, VPay Card) the amount for the deposit will be debited from your bank account. You can also pay the deposit in cash for certain vehicle categories approved by EMOBG. If you have prepaid your booking, the same credit card is to be presented with the hire for the amount for the deposit, like you used for the prepayment of your booking.

The deposit is intended to cover additional rental costs. You will find further information on the Europcar website under "deposit guideline".

If you have paid for your hire in advance, the amount of the deposit is 300 EUR (or the equivalent in local currency).

If you have not already paid for your rental when you made the reservation, the rental cost will also be blocked to your credit card. In this case the amount blocked to your credit card will be the rental cost plus 300 EUR (or the equivalent in local currency).

For the rental destinations Germany, United Kingdom and Portugal, when you purchase a protection which reduces the damage excess to 0€, the deposit amount will be reduced to 100€ (or equivalent in destination country currency).

In any case, the final amount is stated on the confirmation email which is sent to you when you make your reservation

and in the hire agreement. Please note that for prepaid booking, if you subsequently make additional purchases at the desk, the amount of these additional sales shall be added to the sum of the deposit. The deposit shall be released at the end of your hire agreement if no other costs are payable. If the deposit is paid on cash or by Girocard, you shall be reimbursed within 8 working days.

20) CAN I PAY MY RENTAL WITH A FOREIGN CREDIT CARD?

If you are a foreign hirer holding a Visa or MasterCard credit card (with a base currency other than euro), you can benefit from the currency conversion facility into the card's base currency when paying for your rental. The EMOBG agent offering this facility to you will enter your reply into the system and the rental agreement will specify the option chosen. In that case, EMOBG will take care of the currency conversion, using an exchange rate based on the Reuters index, including an exchange fee of 3.25%.

If you wish to change your mind, you can do so by making the appropriate declaration when returning the vehicle to the EMOBG counter and will be forwarded your final invoice in Euros.

If EMOBG for technical reasons is not in the situation to make available this service, or if a currency conversion in the base currency according to your Credit card terms is excluded, the Conversion is done on basis of the conditions of your bank. To make available this service, or if a currency conversion in the base currency according to your Credit card terms is excluded, the Conversion is done on basis of the conditions of your bank.

21) WHAT IS EMOBG DOING TO PROTECT MY PERSONAL DATA?

When you make a rental, EMOBG is required to collect and process personal data about you and the designated Driver(s) in order to:

- manage your booking, rental contract and payment,
- Manage and update a list of at-risk clients,
- communicate information to you about similar services that we believe may be of interest to you, within the framework of the applicable legal provisions. You can unsubscribe from these communications at any time by contacting our customer service department, via your customer account in the communications preferences management tab or via the unsubscribe link in the email you will have received, and, where appropriate, to:
- manage your loyalty program,
- manage traffic tickets for traffic violations committed with your vehicle during the rental period,
- manage the geolocation of your rental vehicle if the vehicle was equipped with such a device.

EMOBG keeps your personal data for the time necessary to fulfill the purposes mentioned above, if applicable, supplemented by those mentioned in our Privacy Policy.

The recipients of the data collected are the companies and agencies of the Europcar Mobility Group, their franchisees and partners as well as the competent authorities, in particular in the event of a traffic offence committed during your rental. The recipients of your personal data may be located within or outside the European Union. In the event of data transfer to a recipient located in a country whose

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

legislation relating to the protection of personal data does not provide an adequate level of protection within the meaning of the regulations relating to data protection, Europcar Germany will put in place appropriate guarantees within the meaning of these same regulations.

In accordance with applicable law, you have the right to access, rectify and delete data concerning you, the right to forget, the right to oppose the processing of your data, the right to portability and the right to organize the fate of your personal data after your death. You can exercise these rights by sending your request:

- by simple letter to the following address: EMobG Services Germany GmbH, Anckelmannsplatz 1, 20537 Hamburg
- or by email at the following address: dpo@europcar.com

You also have the right to lodge a complaint with the data protection authority.

We invite you to contact us at the contact details above before making any complaint to the data protection authority.

For more information on how we treat your personal data, you can read our Privacy Policy available at the following address: <https://www.europcar.de/datenschutzrichtlinie> and on any of our national sites. You can also ask for it at your rental agency.

22) ARE VEHICLES EQUIPPED WITH TRACKING DEVICES AND DATA IN NAVIGATION AND MOBILE PHONE SYSTEMS?

All vehicles of EMobG are equipped with technology that makes it possible to determine the vehicle's position.

You agree that EMobG will collect, store and use GPS-coordinates and speed measurements if you will not return

the vehicle within the agreed time period, use the car outside

the agreed contract territory, border areas and harbor areas. The purpose of collection, storage and use of your personal data are exclusively protection of our vehicles and the contractual rights of EMobG. Please note that we can be obliged to hand over personal data on the basis of official orders.

Most of the vehicles of the EMobG fleet are as far as possible equipped with information- and communication systems as for example with navigation devices and mobile telephone systems. The purpose of the information- and communication systems is not to collect personal data of the renter and driver. You as renter respectively driver are obliged before you return the vehicle at the end of the rental to reset all data in the information- and communication systems to the works setting and to delete all collected personal data out of the navigation devices and mobile telephone systems. You can find in every vehicle in the EMobG fleet an operating

instruction which includes an instruction for the resetting of the information- and communication systems to the works setting.

23) WHAT IS MY LIABILITY IN CASE OF DAMAGE?

a) The renter is liable for repair costs for accident damage, loss, theft or improper operation of the vehicle or impairment of contractual obligations according to clauses 2, 3, 5 and 14 of these conditions in case of a write-off for the replacement value of the vehicle less the residual value unless the renter is not responsible for the occurrence of the damage.

b) The renter is also liable for any consequential damage, particularly reduced value, towing costs and fees for technical experts and a fee for administration costs. The renter is not liable if neither the renter nor the driver is responsible for the damage.

If an exemption of liability is agreed against payment of an additional sum, then EMobG exempts the renter with regard to damage to the rental vehicle in accordance with the principles of vehicle damage (collision) insurance based on the relevant valid sample conditions of the AKB (general conditions for vehicle insurance in Germany) with subsequent deductible excess plus a flat-rate fee per incidence of damage.

The renter is entitled to demonstrate that the damage has not occurred or is considerably less than the flat-rate fee. The liability exemption covers accident damage; that is, through a sudden external incident involving mechanical force; brake damage, operational damage and pure breakage do not count as accidental damage. The exemption of liability does not therefore cover damage which occurs due to improper treatment and/ or operation, for example through incorrect gear changes, use of the wrong fuel or loaded goods. The deductible excess for each instance of damage depend on the vehicle category.

Vehicle category	Deductible excess
High-end to upper-mid range	€ 950
Upper-mid range and particularly valuable vehicles (e.g. Audi A4), luxury class vehicles (e.g. Audi A6) and minibuses (e.g. VW Sharan)	€ 1.150
Selection	Depending on vehicle category up to € 4.000
Vans, up to group 3	€ 900

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

Vans, group 4 and 5	€ 1.200
Vans, groups 6 and 7	€ 1.500

A list of the deductible excess applicable for the relevant vehicle is available at the place of conclusion of the contract. These deductible excesses only apply when no different individual agreement has been made.

c) The exemption of liability does not release the renter from the contractual obligations under clauses 2, 3, 5 and 14 of these conditions. The renter is fully liable in case of intentional infringement of the contractual obligations, particularly for damage, which occurs due to an unauthorized driver (clause 2) or due to a forbidden use (clause 5). If the renter has intentionally fled the scene of an accident or infringed obligations under clause 14, the renter is also fully liable, unless the infringement has no effect on the assessment of the damage incident. In case of grossly negligent infringement of a contractual obligation, the renter is liable in the proportion of the extent of the fault of the renter. The renter is also fully liable for intentionally caused damage. If damage is caused through gross negligence, liability is in proportion to the fault of the renter.

d) If cover for fire and theft is concluded, the renter is liable particularly for damage to glass, damage caused by game animals, fire, the elements and marten damages with the deductible excess mentioned in clause 23 per claim plus set fee, if no different individual agreement has been made. The renter is expressly entitled, with regard to the set fee, to demonstrate that there has been no cost or the cost is considerably less than the set fee.

e) In other cases, the statutory regulations apply.

24) LIMITATION

If an accident has been recorded by the police, compensation claims by EMOBG against the renter will only be due after EMOBG has had the opportunity to inspect the investigation file. The period of limitation begins at the latest six months after return of the vehicle. In case files are to be inspected, EMOBG will notify the renter without delay of the date of inspecting the file.

25) LIABILITY OF EMOBG

Any liability of EMOBG due to the infringement of their contractually regulated duties is restricted to cases of intentional or gross negligence, including the intentional or gross negligence of representatives and employees. EMOBG is liable in accordance with the statutory provisions for infringement of essential contractual duties

(Kardinalspflichten). In this case liability is limited to the extent of compensation for typical contractual losses. Liability for culpable violation of life, body or health remains unaffected; the same applies for compulsory liability under the terms of the product liability law.

26) WHAT HAPPENS IN CASE OF A DISPUTE WITH REGARD TO MY RENTAL?

a) Applicable law

In case of a dispute between you and EMOBG regarding your rental, German law is applicable.

b) Customer Relations Service

Please contact the Customer Relations Service of the EMOBG country where you made your reservation. This country may be different from the one which is renting the vehicle to you or from the country of your place of residence.

For bookings you have made via EMOBG, you can contact the Customer Relations Service at the following addresses and telephone:

EMOBG Services Germany GmbH

c) Notifications

All notifications directed to you from EMOBG pursuant to your rental agreement shall be sent to the addresses indicated in the latter, and which you and EMOBG shall recognize as the elected domicile for all purposes. Any modifications must be communicated to the other party.

d) Mediation

Cross Border Dispute. If the country of rental and your country of residence are different You may file a claim before the European Car Rental Conciliation Service (ECRCS) (<http://www.ecrcs.eu>), provided that the matter was raised beforehand in the country of rental and/ or Your country of residence.

You may file a claim before the European Car Rental Conciliation Service (ECRCS) (<http://www.ecrcs.eu>). Indeed, EMOBG has subscribed to the scheme of ECRCS in order to enable its clients to solve their complaints concerning cross border Vehicle rentals within Europe.

It should be underlined that this conciliation service can only help with disputes involving a 'cross-border' rental transaction occurring within the European Union - the country in which the reservation is made must be different from that in which the actual rental took place. If your complaint concerns a non-cross-border rental, ECRCS will not be able to look at your complaint.

e) Jurisdiction for rentals made on a professional basis

In case both parties are businesspeople in the sense of the German Commercial Code or if the party against which a claim has been made has no place of general jurisdiction in Germany, Hamburg is the exclusive applicable place of jurisdiction.

f) Contractual documents

The binding documents between you and EMOBG are, by order of priority, the following:

- The rental agreement and its specific conditions (the document signed by you at the moment of the pick-up or the first day of rental)
- The confirmation email (where you have pre-booked your rental)
- The EMOBG Insurance and Protection Provisions
- The recommended Tariff and Cost List (Annex 2)
- The present T&C which apply to all aforementioned documents

27) IS THERE A CODE OF CONDUCT APPLICABLE TO THE CAR RENTAL INDUSTRY?

EMOBG views itself as being obliged to the code of conduct for the car rental industry. You may obtain more details on the website leaseurope.org. You can find the German version under: www.bav.de.

28) WHO OWNS THE VEHICLES RENTED BY EMOBG

SERVICES GERMANY GMBH?

The companies Securitifleet SAS, Securitifleet GmbH, Securitifleet SL and Securitifleet S.p.A own a substantial part of the fleet rented out by EMOBG to its customers in accordance with these T&C and have granted a pledge over their vehicles in favor of, among others, Crédit Agricole Corporate and Investment Bank and its successors and assignees. For the purposes of these pledges, Europcar France SAS has been designated as a third-party holder in accordance with Article 2337 of the French Civil Code. As a result, if the company Securitifleet SAS, Securitifleet GmbH, Securitifleet SL or Securitifleet

S.p.A is designated as owner of the leased vehicle on the registration certificate, a copy of which was given to you, any return of the vehicle by a customer of Europcar France SAS must be strictly made to Europcar France SAS in its capacity as third-party holder or, if the need arises, to any other entity that may replace Europcar France SAS in that capacity and under no circumstances to Securitifleet SAS, Securitifleet GmbH, Securitifleet SL or Securitifleet S.p.A. For further information, please contact the legal department of EMOBG at the following address: Anckelmannsplatz 1, 20537 Hamburg.

ANNEX 1

EMERGENCY MANAGEMENT SERVICE TERMS AND CONDITIONS

For the duration of the Rental Period agreed with EMOBG, and provided that You do not find Yourself in one of the cases of exclusion listed below, You benefit in Germany from personal assistance in the event of an accident and a free breakdown service permanently linked to the use of the Vehicle, whether it is a passenger vehicle or a commercial vehicle.

With regard to the use of the rented Vehicle abroad, the assistance and breakdown services will be different according to the case as indicated below.

Finally, EMOBG reserves the right to invoice the Hirer in the event that the Hirer uses the assistance management service without reason

The Emergency Management Service comprises, amongst other benefits, the following:

- o Technical support for the rental vehicle
- o Sending out a breakdown vehicle.
- o Arranging and paying for the costs of towing a vehicle which has been involved in an accident or has broken down and cannot be repaired on the spot.
- o Locating a replacement vehicle within a radius of 100 kilometers if the vehicle cannot be repaired on the spot. To carry out this change of vehicle, a Vehicle of the same category will be sought first, but no guarantee can be given on this point. If the rented Vehicle was an electric vehicle,

TERMS AND CONDITIONS OF HIRE OF EMOBG SERVICES GERMANY GmbH

the assistance will endeavor to replace it with a vehicle of the same type, but cannot guarantee it.

- o Transportation of the beneficiaries to the rental station where the replacement vehicle is to be made available (up to 150 € in taxi costs)

If no replacement vehicle can be provided:

- Either a hotel room with breakfast for one night (excluding restaurant costs) up to 85 € including VAT per beneficiary Or transportation by taxi, train or plane (when no other means of transport can be used) to the domicile or destination in Germany or to the point of departure from Germany for non-residents up to 200 € inclusive VAT per beneficiary. If it is impossible, a hotel room with breakfast for one night (excluding restaurant costs) up to 85 € (inclusive VAT) per beneficiary will be proposed.

o Exclusions

Exclusion cases:

Breakdowns caused by the Customer or resulting from the use of incorrect fuel, breakage or loss of the keys/ starter card of the Rental Vehicle, as well as punctures and/ or damage to the tires are excluded from the scope of the free service and will be subject to the invoicing of a lump sum as indicated in the Recommended Rates Guide:

By subscribing to our Assistance Plus Protection (RSA), and subject to compliance with the law and our General Rental Terms and Conditions, You will be exempted from the payment of these lump sums. To do so, You must purchase our Assistance Plus coverage for a fixed cost per rental day as indicated in the Recommended Rates Guide. The Assistance Plus Protection (APC) is detailed in the General Conditions of Insurance and Coverages.

If You rent a private passenger vehicle, You can benefit from a free breakdown service even abroad within the limits of the Authorized Territories by subscribing to the Emergency Service Abroad (EMS).

The EMS is a fee-based foreign assistance service. In the event of a breakdown, accident or human error, customers driving abroad with a passenger vehicle benefit from assistance that exempts them from the towing and roadside assistance package. The Assistance Service abroad also includes the Assistance Plus protection.

Customers who have subscribed to this Foreign Assistance Service can thus benefit from pick-up and repatriation services in the event of a breakdown of the Vehicle in one of the Authorized Territories:

o In the event of breakdown - if the Vehicle cannot be repaired on the spot, assistance will organize and pay for the cost of towing to the nearest dealer or agent of the Vehicle brand.

o Organisation and payment of the costs of recovering a Vehicle that has been involved in an accident or has broken down and cannot be repaired immediately,
o Searching for a replacement Vehicle within a 100km radius, if the Vehicle cannot be repaired immediately (N.B.: the rental contract will continue to run until the last day of the originally agreed rental period). In order to carry out this change of Vehicle, priority will be given to finding a Vehicle of the same category, but no
